Notification of the Office of the National Telecommunications Commission
Re: Application Form for Conformity Assessment of Telecommunication Equipment
By the Office of the National Telecommunications Commission

Whereas Sections 6.1, 13.1 and 19.1 of the Notification of the National Telecommunications Commission regarding Regulations for Conformity Assessment Procedures for Telecommunication Equipment by the Office of the National Telecommunications Commission have prescribed that the applicant shall submit the completed application form for conformity assessment of telecommunication equipment as specified by the Office of the National Telecommunications Commission;

To comply with the above-mentioned Notification of the National Telecommunications Commission, the Office of the National Telecommunications Commission hereby prescribes the following application forms:

1. Application form for testing of telecommunication equipment (Form ET. 01);
2. Application form for registration of telecommunication equipment (Form ET. 02);
3. Application form for certification of telecommunication equipment (Form ET. 03).

The details of which are appended hereto.

This Notification shall take effect as from the date hereof.

Announced on the 4th day of February B.E. 2551 (2008)

Suranan Wongvithayakamjorn

Secretary-General of the National Telecommunications Commission

This English version is prepared by International Organizations Bureau with the sole purpose of facilitating the comprehension of foreign participants in the telecommunication rules and regulations and shall not in any event be construed or interpreted as having effect in substitution for or supplementary to the Thai version thereof.
